

IABSCON-2025

11th-13th Feb, 2025

XIIIth Annual International Conference of Indian Academy of Biomedical Sciences (IABSCON-2025) Multiomics in Health and Disease

Organized by
All India Institute of Medical Sciences, Bhopal
Department of Biochemistry

Deadline for Abstract
Submission (poster)
and Regular registration

Extended till
15th Jan, 2025

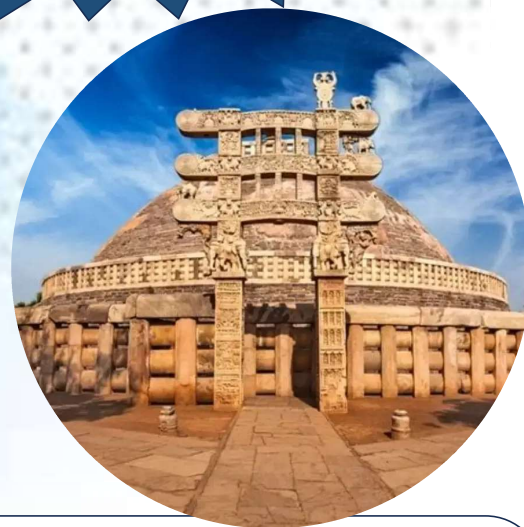

IABSCON-2025

Submit Abstract

Pre-Conference
Workshop on
10th Feb, 2025

About AIIMS Bhopal

Dr. Sunil Malik,
President AIIMS Bhopal

Prof. (Dr.) Ajai Singh,
Director & CEO AIIMS Bhopal

AIIMS Bhopal is an autonomous tertiary healthcare institute, established in 2012 by the Ministry of Health and Family Welfare, Govt. of India. AIIMS Bhopal is a comprehensive multi-speciality tertiary care hospital which caters a large number of patients from Madhya Pradesh, Uttar Pradesh, Maharashtra and Chhattisgarh. AIIMS Bhopal has therapeutic and advance diagnostic facilities, at par with national level hospitals. AIIMS Bhopal is a National Institute of importance for teaching and research at UG, PG and Doctoral/Post Doctoral level in all disciplines of Medical Sciences. The institute has world class facilities for translational and clinical research. These include Central Instrumentation Facility, Central Animal Facility, Multi-disciplinary Research Unit, Centre of Excellence for Rare Diseases, Department of Translational Medicine, Regional Virology Lab, 3-D Printer, Bio-incubation and advanced niche of Innovation in Healthcare (BANI Health). About IABS

Prof. Hari Sharma
Founder President, IABS

Prof. Abbas Ali Mahdi
Secretary General, IABS

Prof. BSS Rao
President, IABS

Prof. Sadhna Sharma
President Elect, IABS

In order to promote translational research, **Indian Academy of Biomedical Sciences (IABS)** was established at the renowned Medical Institution, KGMU, Lucknow with keen interest and efforts of Prof. Hari S. Sharma and Prof. Abbas Ali Mahdi who were supported by various scientists from India and abroad. The Academy is registered under Societies Registration Act XXI of 1860. The main objective of the academy is to bring clinicians and scientists on a common platform and foster collaborations in research and innovation for human health and wellbeing. Aspirations and achievements of the academy are in disseminating knowledge as well as setting forth guidelines and standards of excellence for future research and teaching in the area of biomedical sciences.

The Academy encourages and promotes nation-wide Seminars, Symposia, Workshops, CMEs and an international conference each year since its inception in 2012. These IABS conferences and CMEs provide opportunities for (under)postgraduate students, medical professionals, registrars and faculty to learn the emerging new research and techniques in the field of diagnosis and treatment of various diseases. Moreover, IABS has initiated to recognize and established nationwide centers of excellence in Biomedical Research at different universities and Medical Institutes and the academy has recently launched its journal, JABS.

In order to recognize academic contributions of eminent scientists in the field of biomedical research, the Academy has initiated Fellowship program since 2015. A number of prestigious Awards have been instituted by the Academy and are bestowed upon eminent biomedical scientists for their research and academic excellence each year in a glittering convocation.

Invitation

Greetings!

We are delighted to invite you to the XIIIth Annual International Conference of the Indian Academy of Biomedical Sciences (**IABSCON 2025**), organized by the **Department of Biochemistry, AIIMS Bhopal**) from 10th to 13th February 2025 at the **Atal Bihari Vajpayee Auditorium AIIMS, Bhopal**. There will be Pre- conference workshops on 10th February 2025.

The conference will bring together leading researchers, academicians, and professionals from the field of biomedical sciences to share their insights, research findings, and advancements. This year's conference theme focuses on **“Multiomics in Health and Disease,”** aiming to foster interdisciplinary collaboration and explore the latest biomedical research and clinical practice developments.

The highlights of the conference include:

- Keynote address by renowned scientists and experts
- Plenary sessions covering diverse topics in molecular biology and biomedical sciences
- Poster and oral presentations showcasing cutting-edge research.
- Interactive workshops and panel discussions.
- Networking opportunities with peers and leaders in the field.

Anticipating over **400 delegates from India and abroad**, our main objective is to foster the exchange of information related to recent advances in medical research and innovations in healthcare. Your participation will significantly contribute to the success of this conference and provide you with valuable opportunities for professional development and collaboration. To confirm your attendance and for further registration information, please visit our official website <http://www.iabsccon2025.com/> or contact our organising committee at iabsccon2025@gmail.com. We look forward to your participation and welcoming you to AIIMS Bhopal for an enriching and inspiring event. Your participation would be a tremendous source of motivation for us.

We hope the amalgamation of pleasant weather, gracious hosts, and Bhopal's scenic beauty will augment the scientific experience.

(Prof Jagat R Kanwar)

Abstract Submission

Abstract Guidelines

The IABSCON-2025 conference is now accepting abstract submissions for presentations. Each abstract will undergo a thorough review by the scientific committee. Presenters will be promptly informed of the outcome, and successful authors will have the opportunity to present either posters or papers, based on the originality and appeal of their scientific contributions.

- Abstract submission begins: 16th Aug 2024
- Deadline for abstract submission: 30th Nov 2024
- Notification of selected candidates: 15th Dec 2024
- **Extended deadline for Late Breaking Abstract (Poster only): 15th Jan 2025**

IMPORTANT INSTRUCTIONS & GUIDELINES

Presentation Formats

- Oral presentation
- Poster presentation

Submission Rules

- Abstracts must feature original scientific data collected by the author(s).
- Submissions solely focused on literature reviews will not be considered.
- Abstracts must be written in English.
- The Scientific Committee retains the right to edit abstracts for clarity if the English structure poses comprehension challenges.
- Abstracts must be submitted via the Online Abstract Portal on the conference website.
- The main body of the abstract should not exceed 250 words (excluding Title, Affiliations, etc.).

An abstract should include the following components: -

- Title of abstract
- Affiliations: Names and contact details of author(s) organisation, city, email.
- Background
- Methods
- Results
- Conclusions

Scan the QR Code to submit abstract

Website: <https://iabscon2025.com/>

Conference Themes, Awards and Workshop

CONFERENCE THEMES

- Metabolic and Cardiovascular Diseases
- Cancer Biology
- Infectious and Respiratory diseases
- Neurosciences
- Immunology
- Drug Discovery and Nanotechnology
- Advances in Laboratory Medicine
- Precision Medicine
- Stem Cells and Tissue Engineering
- Biomaterials and Biosensors
- Computational Biology & Artificial Intelligence in Biomedicine
- Applications of Omics (Genomics, Proteomics and Metabolomics) in Human Diseases

Awards

- Several awards have been constituted by the Indian Academy of Biomedical Sciences (IABS), please visit the Society website for more details <https://www.iabs.in/>
- Best Oral presentations and best poster presentations are also available for Young Scientists and research scholars

Pre-Conference Workshop (10th Feb, 2025)

Two pre-conference workshop will be conducted on

- Exosome Isolation and Characterization: Dr. Neha Arya, Co-ordinator
- Cytology Screening using AI: Dr. Sukhes Mukherjee, Co-ordinator
